Please send all your relevant show informations (Techspecs, Stageplans, Frequencies, Lightplot, Schedule, Parkingmap, Directionsmap, etc.) latest 4 Weeks before our show to Stefan and Rainer: [stefan@karakter-worldwide.com](mailto:stefan@karakter-worldwide.com), [rainer@meb.at](mailto:rainer@meb.at)

### 1.1 parking:

10m x 2m and 5m x 2m parking lots as close as possible to the stage/loading dock have to be available for van and car from get-in to load-out.

If the band travels by nightliner please make sure there's enough place, power, and a shuttle for the band and backline.

### 1.2 stagehands:

4 helping sober strong men to be available during entire load in and load out.

### 1.3 security:

Enough security personal for stage, backstage and FOH – area.

Access to these areas for authorized personal only!

Min. 2 security persons to supervise backstage area and entries to backstage area from get-in to load-out (and during the show!).

Min. 3 security persons in front of the stage during the show to take care of stage-divers etc.

## **1.4 stage:**

minimum size: 8m x 5m + PA wings

the stage has to be solid, swingproofed, be kept clear of rain or water, statically safe (500kg/m<sup>2</sup>).

we bring a back-drop (for big stage 7m x 5m, small stage 5m x 4m) – please make sure pipes & clamps are available to fix it on the backtruss.

risers: drums 3m x 2m x 60cm

horns 2m x 1m x 60cm

backline 2m x 1m x 60cm

## **1.5 power:**

16 Ampere singlephase power directly on stage for backline; adapters and trafos for 240V Schuko.

## **1.6 pa:**

professional PA – system : 3-way system + subs.

Russkaja is a very high energetic live band – so please make sure the system has enough headroom.

L-Acoustics, Nexo, Meyer Sound, d&b or equivalent.

## **1.7 foh:**

we bring a midas pro-1 console, please provide 2 unshielded cat5e (Belden 1305) from foh to our stage-box (max 80m).

direct view on stage, if necessary FOH riser, protected by a barrier & at least 1 security!

## **1.8 monitoring:**

we bring a midas pro-1 console

we bring 4 x in-ear (Shure PSM 1000 J8-Band, Freq: 554 – 626 MHz)

we need:

3x wedges on two ways

1x drum-sub

## **1.9 mics, stands and cables:**

we need:

3 x micstands small

9 x micstands tall

1 x roundbase stand without boom

enough XLR-cables & subcores for a proper wired stage.

we bring all mics & wireless-systems (Shure UHF-R H4E-Band, Freq: 518MHz- 578MHz)  
(Shure ULX-D H51-Band, Freq: 534MHz – 598MHz)

Stage – set (riser, monitoring) should be finished before backline load-in.

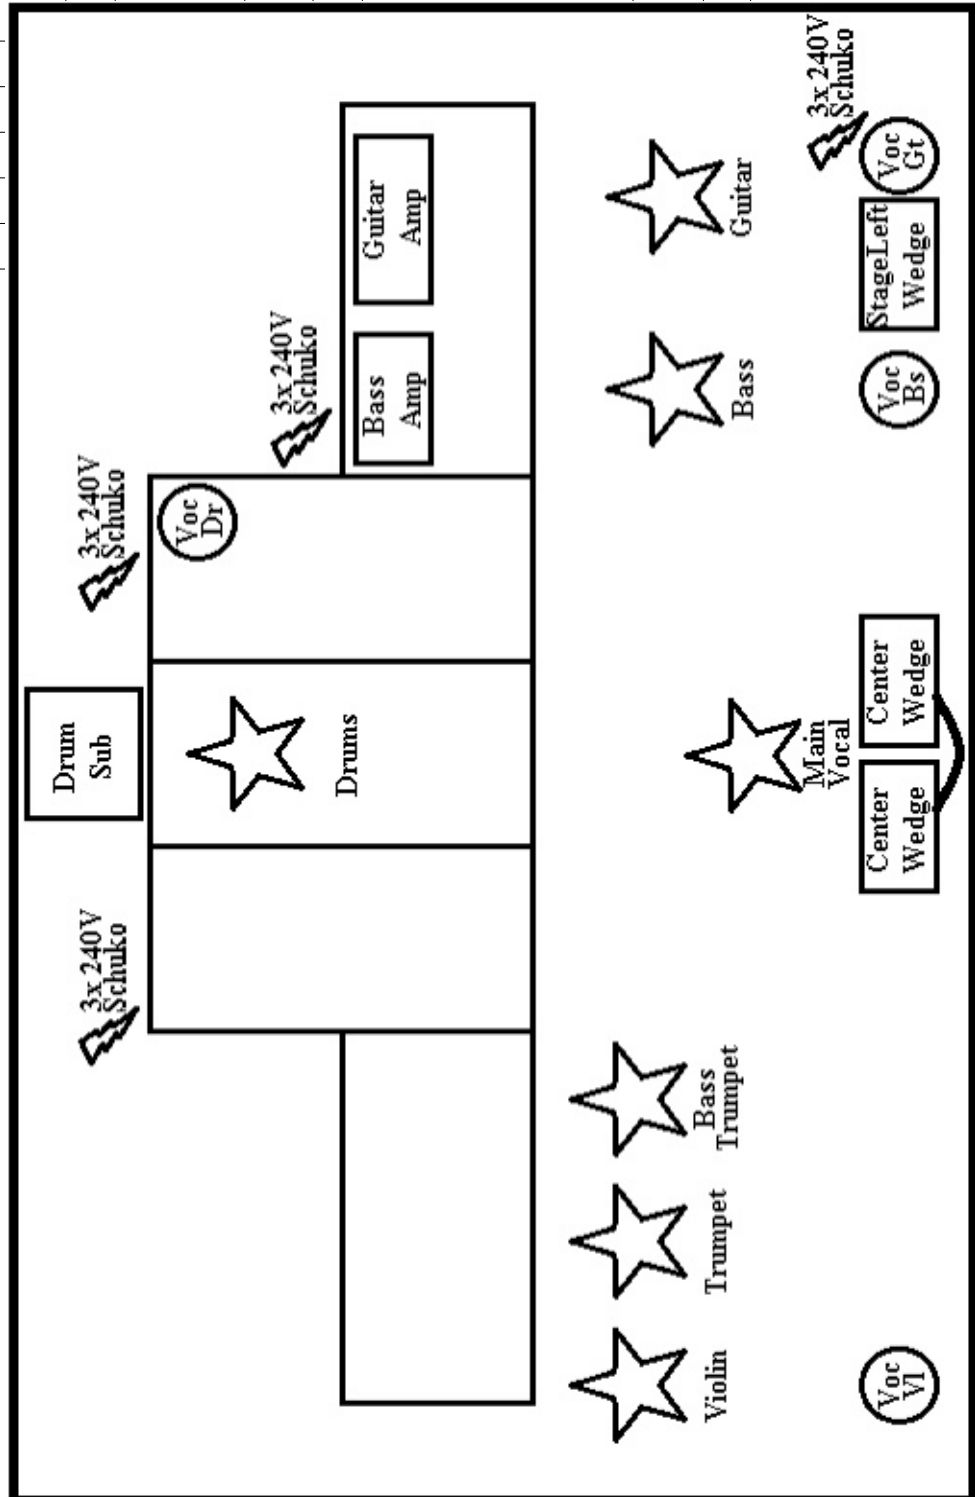

Microphone setup will be done after backline setup.

For further information please contact :

A09	09	OH SR									
A10	10	OH SL									
A11	11	Timbales									
A12	12	Voc Dr									

## 1.10 Light Requirements:

The following requirements show the perfect light situation for a Russkaja Show. Our Light Technician is flexible with the setup, so please send your rider or equipment list IN TIME to get through it, at least 2 weeks before the show.

At some shows we've got a Lighting Desk (Nano Hog 4) with us.

### **If we've got the lighting desk with us:**

Please keep a patch plot or patch list available at FOH by arrival.

### **If we haven't got a lighting desk with us:**

HOG 3 or 4, Road Hog, Grand MA 1, Grand MA 2, Chamsys, has to be provided local at no cost by the artist.

The desk has to be patched and the lighting equipment has to be ready when we arrive.

In any case there has to be an in-house technician familiar with the desk and equipment at the venue from get-in to load-out.

### Back Truss:

6x Movinghead Spot (MAC 700, CP Alpha Spot, or equal)  
4x Movinghead Wash (CP Aleda, Robe 600, or equal)  
8x Par 64, CP 60, NC

### Front Truss:

4 x 2K Fresnel  
3 x Audience- Blinder

### Floor:

3x Blinder  
3x Atomic 3000  
4x Movinghead Wash (CP Aleda, Robe 600, or equal) 2x Front sl+sr, 2x Drums sl+sr  
2x Hazer + (if necessary because of strong air condition – please provide extra fan)  
!!! no Fogmachine !!! Fog is blocking trumpets like a big fat cotton-ball!

In any case there have to be audience blinder in house. The Band acts a lot with the audience and needs to see them.

### **BACKDROP:**

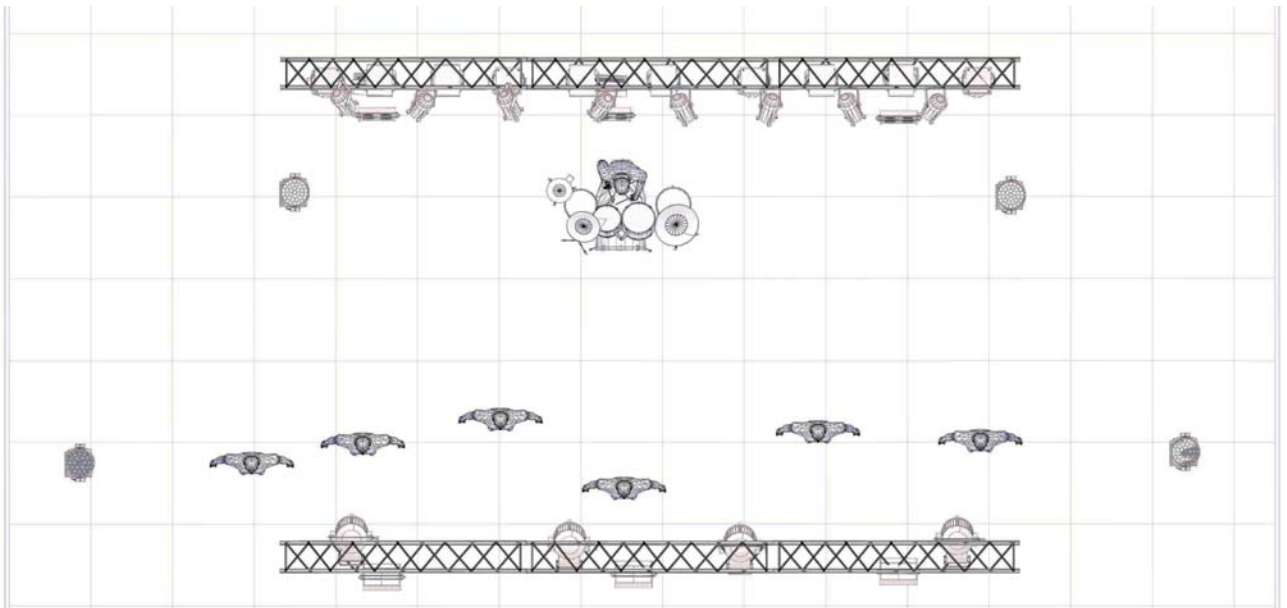

We've got a Backdrop with us in two different sizes, W7 x H5m and W5 x H4m.  
If there's no backdrop truss or pipe, please let us know.

If you have any questions, please contact our Lighting Technician.
